CODE OF CONDUCT & GREYSHIRT BILL OF RIGHTS

Adults only. We've set high expectations for each other, and upholding them is our collective responsibility. Professionalism and compassion towards the communities we serve and our teammates is the foundation of Team Rubicon. Know yourself, know your limits, and know what it means to be a teammate so we can focus on helping people on their worst day.

I recognize that I represent Team Rubicon, and I am committed to be ready to help others in their moment of need. I adhere to the following standards:

1. I am a Greyshirt. I am a humanitarian. I serve others.
2. I am ready to operate as a team member when the needs of others and my abilities intersect.
3. I will stop myself or my team when a task is unsafe.
4. I will stop myself when a task outside the scope of my physical, mental, or emotional ability.
5. I treat funds and equipment as if they were my own by reasonably mitigating costs and maximizing impact.
6. I celebrate a hard day's work and will be ready to get back at it tomorrow.
7. I respect the direction of our leaders.
8. I respect the laws of the local, state, and national jurisdictions in which we operate.
9. I bring calm to chaos.
10. I will never bring a firearm, illegal knife, or other weapon to any Team Rubicon activity to include in a personally owned vehicle, regardless of whether or not I am licensed to carry the weapon.

As a humanitarian, I commit to the principles of [Humanity, Neutrality, Impartiality, Independence](#), and the following:

1. I will address human suffering. The purpose of humanitarian action is to protect life and health and ensure respect for human beings.
2. I will not take sides in hostilities or engage in controversies of a political, racial, religious or ideological nature.

3. My actions will be carried out on the basis of need alone, giving priority to the most urgent cases of distress and making no distinctions on the basis of nationality, race, gender, religious belief, class or political opinion.
4. My actions will be autonomous from the political, economic, military or other objectives that any actor may hold with regard to areas where humanitarian action is being implemented.
5. I maintain political neutrality while representing Team Rubicon, in accordance with our 501(c)(3) status.

As a Team Rubicon Greyshirt, I have the right to:

1. Operate in a safe, inclusive environment.
2. Be treated with respect.
3. Deliver the capabilities for which I am trained and able to safely carry out.
4. Learn of the outcomes our efforts have in the community.
5. Contact my chain of command.
6. Provide feedback on my experiences without fear of retribution.
7. Receive a copy of TR's financial information or annual report upon request.

I am a Greyshirt, committed to service, responsible for my actions, and dedicated to our principles.

In lieu of direction, Team Rubicon's [Cultural](#) and [Service Principles](#), in addition to my personal values, guide my decisions.
